Betty Stroud and her family were neighbors of our family (Marvin Just) when I was growing up in Dinuba California. She worked as a bookkeeper for my dad at Alta Chevrolet. She also was a wonderful mentor to me as I helped out in the office part time while going to school.
Her family were awesome neighbors and I have many fond memories of our times together.
Monterey, please accept my condolences. I hope you are doing well.

So sorry for your loss but I know one day we will see her again. Fond memories of her alto voice. I can still see her at church when I'm up there for services at Cedar Creek
