“ I worked with Amber at ICT in Morrilton, and she was one of the loudest most helpful and caring people I have ever met! We use to tease her a lot about being able to hear her all the way across the building!! But her heart was also as loud and loving and giving!..I will always remember her sweet helpful soul..Be at peace my friend...I will think of you often, and smile at the memories!

“ Amber Dawn is my first born child and has always been a ray of sunshine. She was selfless in her actions and always felt that peace was the solution to any problem. She "loved as Jesus Jesus loves " and was a true believer. I'm proud that she called mama and that she chose to spend her last days with me and Cavan. She will be sorely missed but I know that the halls of heaven are brighter now that she is there. We used to gather round the piano and sing, (she ALWAYS stole my alto lead) She commanded a presence when she walked into a room. It's not going to be easy for me to grieve her because she is every where I turn. I see her face in every flower
I love you Amber Dawn and I will be there as soon as the Lord comes to get me.

“ I'm so sorry you had to go so early. I so desperately wanted to meet my long list sister that I desperately wanted to find for years & give that big hug to. I'm so thankful we got to talk & communicate for a few years...

RIP PARADISE
MY SISTER AMBER

The same blood runs thru both you & I & I know one day when it's my time to gain my wings we will finally get to meet & give each other that big hug we both talked about. So keep smiling upon us all.

RIP MY SISTER AMBER
