“ So sorry to learn of Betty’s passing. Don and I have a place on Harrisbrake next to them. She and Tom were very good to us during the years that Don was able to be up there. After I lost Don I didn’t go much and was not aware that Tom had passed away until several months after his death. Betty was such a lovely person and they were both so sweet and nice to our grandchildren. Prayers to the entire family. Sue Caple

“ Betty is a beautiful person inside and out! One of my earliest memories was how much she loved me and Scott. She wanted me and Scott to sing our version of Puff the Magic Dragon but I was shy so she lovingly sat us on the side of Aunt Rossie’s bath tub and guarded the door so I would not be embarrassed and we sang our hearts out for her! I loved her laugh, her smile and her giving heart! She and Tom always had a gift for Mom and Dad when they came to visit, sometimes fresh fruit or a trinket but always giving! Betty once gave mother a ring she was wearing because Mom said she liked it and it had mothers birth stone in it! Always loving and giving! But have to say that about all Aunt Rossie’s children you have all been loving and giving to your Aunt Jude and Uncle Dick! We love you ALL!

“ I do not remember the exact year but about 1967, I was visiting Aunt Rossie & Uncle Herbert and Betty took me down some Benton backroad and let me drive her white Ford Mustang!
