“ Allen was a great friend, we grew up together and our friendship carried on through adulthood, Allen and I behaved more like brothers than anything else, I remember when we were playing little league baseball he would yell at me to stop throwing a curve ball, and I would stop and turn to him on the mound and say “I’m not trying to throw a curve ball” he was one of a kind and I will miss my friend.

“ I didn't really know Allen before he became a patient at River Chase nursing home but saw the inspiring courage that he displayed in his difficult situation and how he developed a wonderful bond with his mom, my sister in law Glenda. I know that he is resting peacefully with the Lord in heaven. Love to all his family. Francie
