“ I have been so heartbroken over this news. He and our son Christopher were childhood friends. Although I wasn't around Danny Joe that much, when he got older and worked at Harris it seemed like I saw him quite frequently. He was always sure to make eye contact with me from across the way and it eventually always ended up in a great big hug!!! I know he was greatly loved by most and will truly be missed. My thoughts and prayers have been and will be with you all.

“ I feel as though I helped "rear" Danny Joe Hill...his teen/young adult years, for sure. I have many memories of those years. One, particularly, shall forever be in my heart...he would call me on Mother's Day, to simply tell me he loved me, to thank me for always praying for him, and to remind me-"Ms. Esther, you are my (other) mother".

I wish I knew what to say-to make this hurt less; I do not.

Please know, I love you all; I care.

I am so sad...

Ms. Esther

“ DANNY worked at the HARRIS FUNERAL HOME in Morrilton during the time of my brothers funeral. He went way above and beyond to show our whole family the support we needed to get us through the day. He was an awesome caring Christian man. My sincere condolences to his family.
