“ Don, I am missing you already. My heart is sad with another Uncle passing away. Coming from a family of 7 Uncle and you are the second Uncle that I have lost within a year I am very sad. And with six Aunt's with the lost of Brenda also it is getting hard to let go. I love all of my family so much and we are a close family and always had a fun time when we had a family reunion. I will always be thinking of you and Paul and Brenda, I know that Grandma and Grandpa Gentry are there with their arms reaching out to you and saying you are home again and you know longer have the pains that you had on this earthly home. I love you and you will always be in my heart.
