“ I just found out about Donovan and I am soooo sorry for your loss! I cannot even imagine how you must be feeling, but am sending prayers up for you all.

I remember fondly all the times Donovan would follow Hannah around carrying whatever she asked of him...from baby dolls to diaper bags, but he always did it with love in his heart. Our kids always had fun visiting the "farm" and visiting and playing with Donovan...even the time we ended up in the ER. LOL

“ I went to school with Donnie. She would hang out everyday. He used to wait on me to get off the bus in the morning and walk me to breakfast and class. He was a very good man. He was so kind. I miss and love you, Donnie.

My prayers are with your family and friends. ❤️

“ My nephew was a gentle giant. We were like oil and water together, but we understood each other and loved each other. I made him laugh often at how I'd laugh at his seriousness over things that weren't that serious. He'd say. Don't laugh and of course I'd laugh more. Then he'd start laughing with me. When he helped cut up onions for supper? I'd have to give him two, because he'd eat one raw. He had his problems, but he was a man of honor and would help anyone that needed help. Family was very important to him. He'd drop what he was doing to come help. All you had to do was feed him! And he loved food! Rest In Peace and Love Donovan. I'll miss you!

“ As we go through life people come and go in and out of our lives, then there comes an individual that in a short period of time that stamps your life with an average lasting impression Donavon done this, not only to me but with my family. Was he rough around the edges, thats almost an understatement, yet inside was a heart and spirit of love and kindnesd. A young man, but carried with him Ol' Man wisdom something you see less and less of these days. A hard worker, a true friend, never having to worry about anything or anyone at my house at anytime. Haley, Caleb, and Nathan sort of looked at Donavon more as a big brother than just a family friend. He just fit in to our family like he had always been apart of our family. Friend your being missed already and will be for a long time because real impression that is stamped deep it takes some a life time to fade away. Friend you are missed. Peace little bro.

“ So sorry for such a tragic loss of a kind, respectful, wonderful soul. I looked at Donovan like an adopted son. He was so sweet and kind. He was always so helpful and eager to help in any way he could. When he did something he did it the best he could and with his heart. I miss him so much and I miss hearing ‘hey Miss Carrie, can I bum a cigarette?’ I will miss our talks we had everyday about all kinds of things. He came to me for advice and guidance. I pray that out of everything I said to him, that he got a little something from it. The last thing he said to me was ‘Miss Carrie, you’re the best step-mom anybody could ever ask for.’ I loved that boy like my own and I know he cared about me too. Everyone here at Harris Brake Lake loved him in some kind of way and we were his family and I believe he loved us too. He will be greatly missed but absolutely never forgotten!!! We will meet again one day! Love you Hun!

“ You know we go through life and we meet people everyday but there comes a day when somebody steps up and say " I'm calling my dad to make sure it's alright to pick up this boat, if he says no I'm whooping your ass", from that day this guy became a part of my family's life. Haley, Caleb, Nathan look toward Donavon as a older brother and Debbie fitted him right in with our home and definitely turned out to be a great friend to me. Rough around the edges that sometimes might be debatable, yet through all of this rough outer shell was a heart and spirit of love and kindness. This short time that I got to spend in this man's life has left a lasting impression in my life, for being such a young man, he cared a large amount of Ol' man wisdom.

In my time and the people I have met Donavon ranks at the top.

Friend, your going to be missed.

“ Carla, Steve and family, I am so sorry for your loss. I remember Donovan so well, but lost track of him when you moved to Harris Brake. Many times he would walk to Karyn's to visit with Morgan, when he would be in the area. Thoughts and prayers for all of you.

“ Carla, I have tried to type this a dozen times, and I just cannot find the right words. You and I have had numerous conversations about our children. I know how much you loved Donovan and how proud you were of the man he had become. You have been a wonderful mother!. I pray that God gives you the strength and comfort to see you through.

Tracy Kendrick - January 09, 2019 at 07:24 PM

“ Dear Donovan,
I'm sorry I didn't try harder to get through to you. I know you had hard times and difficulties but you also had a heart of gold. You called me on mothers day after your Dad died. You have no idea how that made my heart swell. You were so sweet.

I pray you found peace in your heart and soul. Too young and too smart to go from this world so soon. Many prayers for you and your family.

To Carla, my deepest heartfelt condolences to you. May God give you strength through this very difficult and trying time.

God bless.

Kris Tidwell-Godsey.

Rest in Love Donovan.
