“ He was genuine, a quality that is getting rarer by the day. Clint I know he meant the world to you. To all who were blessed to see what a role model he was. My prayers are for you.

“ Mr. Wilson and his family were good friends of ours. He and George loved to visit and trade horse stories. A lot of our friends were growers for Tyson and Mr. Wilson was their “field man”. They still speak very highly of him. Sending our sympathy to all the family.

“ Odell was a wonderful soul. Great mentor to me when I began work at Valmac in 1978. I was just out of college and still had some growing up to do. Odell took me under his wing just like a dad would do. Learned a lot about the chicken business and life under his guidance. A wonderful man. Enjoy heaven sir you have earned it.
