“ To The Brewer Family, My heart is saddened by the loss of your Father. I didn't see much of Jimmy except when Johnny and I went over to visit him. He gave a lot of advice to Johnny on the horse races, which they both loved. I bet the two of them are talking horse racing now. Prayers to you all for the loss of your Father.

“ To the Brewer family, For many years my brothers Ken and Darren played and shared a lot of fun times with you all. Growing up behind the house of your family was never a dull moment. The twins were older but we were inspired by their high fashion and beautiful hairdos. your mother was such a beautiful spirit and always so sweet and kind. Your dad always had an encouraging word and helped my brothers to seek military careers. May God comfort and keep you is our prayer. Ava Bull Reed and the Hawkins Family
