“ Jerry and I moved into St. Anthony's two days apart. We shared a lot of good days together. he always ended our conversations with " Be blessed Ms. Ava." "I'm going to do some maintenance work now, I'm putting a rear end in a recliner." Jerry was a good friend who was courteous, kind, helpful and humorous. My prayer is that God will hold your family in His loving arms and keep you during this difficult time. With love and deep sympathy. Ava Bull Reed St. Anthony's 104

“ I met Jerry a few years ago when I became the Manager at his place of residence. I told him he had a voice for radio and he just laughed and begin to share with me many stories of his days in the music industry. Over the years we developed a special bond as I would listen to his very special stories that was dear to him. He loved to put a joke in there or two as well. Jerry introduced me to his pride and joy, his beautiful daughter Jan and his grandson. He loved the times he got to share with her. He would let me know when she was coming and invited her to our potlucks so she could enjoy what he enjoyed  
He always spoke of his love for her Mother, hardly ever without a tear in his eye. I spoke to Jerry while he was in the hospital, he was surprised that I called as I no the manager there. He told me he loved me and I told him I loved him the same. He said the he was going to be alright and now I know I know that you are alright without a doubt my friend. Rest in Peace. My love and condolences go out to Jan and the rest of the family.
