We love you!

“ I had the pleasure of being Louis's nurse. He was one of my favorite folks. May God give you all comfort. He always had a smile and he so loved Vicki. His eyes lit up when you talked about the kids and grands. I know he is looking down on his family.

I just feel like you're going to walk back in the front door and pick up Pepper and give me a hug and a kiss on the cheek. I will forever hold on to the memories we always had.
