“ Jeanette has always been "Mrs. Nette" around our house. We were blessed to be able to take our young daughter to her every day for child care. She was the most nurturing and sweetest ladies I have ever known. It was as if we were dropping her off at Grandma's house each and every time. We became lifelong friends with Jeanette and George in the process. Our daughter is now 21 and they have kept up with her through every milestone of her life, always making her feel so special. Jimmy, Tracey, and Terry, you and your families are in our thoughts and prayers. Mrs. Nette will always have a special place in our hearts.

“ Miss Stobaugh was a sweet, kind, caring lady. I am glad I got to take care of her the last few weeks of her life. She was kind of eerie at first with me, but she was reassured by another caregiver, that I was a great person and CNA. I loved taking care of her. My condolences to all the family, the ones I met and the ones I didn't meet. She was a wonderful lady. Thank you for allowing me to be in all your lives these last few weeks. God bless you all. I will deeply miss and I loved her. Thank you, Naomi Wyllia Hospice Home Care CNA
