“ Uncle Robert was such a wonderful, generous, and kind man with so many other attributes- far too many to list here. I will always remember just how patient and kind he was to all of us kids. Uncle Robert was never fake; what you saw was what you got and all I ever saw was him being a fantastic and loving father, and for me, a wonderful Great Uncle with the most soft spoken voice. Regrettably, I've not been able to get around to seeing him and Aunt Doris in quite some time and that's my fault. Even so, I will miss him all the same. I love you Uncle Robert, now you'll be reunited with the family we've lost through these years. And my thoughts and prayers are with you Doris, Bobby, Melanie, and Bradley as well as your families. God bless you all.

“ Terribly sorry to learn of your loss....I had not seen Robert in some 50 years, but remember him well. He and his parents lived across the road from my grandparents at Jerusalem. I will remember him as a kind, caring soul. I also recall that he was the first person I ever

knew, as a youngster, that went to Vietnam. RIP Robert.

“ We lived across the street from Robert and Doris in Morrilton for a while. It has been years since we saw him but never failed being friendly every time we saw him; a very kind man to everyone. Prayers for all his family. God Bless.
