“ *She was an amazing Aunt to me! I will never forget the things she did to make my life better. I will always remember her smell of emeraude perfume and coffee and how she would fly down the street in her thunderbird, or trips for ice cream and roller skating down very busy streets in Anaheim. She would make me Easter dresses and let us use her China tea set. I hadn't spoken to her in 15 years but she was good to me always. She was loved!!!*
