“ *Thoughts I have of Ms. Ailene Hill-*

It is people like Ms. Hill that inspire me to live a life of genuine joy and gratitude. You could see this in her eyes. She had a genuine smile. I never heard her complain. I remember in 2017...Just over 2 years ago she came to see Abbey graduate from college in Bud Walton arena. I was amazed at her smile. She had to be uncomfortable. That was a lot of walking, climbing up and down stairs, sitting, and standing. Yet she was always smiling. What a great example to all of us. If I live to be 92 I want to be just like Ms. Ailene Hill! I want people to notice my joy and smile- not my complaints, impatience, bitterness, crankiness, grouchy, selfishness.

I look forward to giving Ms. Hill another hug one day in heaven. I am thankful I knew her and have her example as inspiration.

I am praying for the Hill family as I know you will all miss her greatly.

“ I love Aliene. She was the sweetest. She would always ask if I'm still teaching and ask about the kids that I'm serving...if they are well behaved or not..😭 I've missed her and will continue to miss her. Prayers for all the family.
