“ *Ms Alice was a very special friend and a part of our family. She loved our children and always made them feel special. I was so glad to be apart of her life and I even have adoption papers from her family in Louisiana. They all called me Aunt Kathy! I enjoyed our trips Cajun Country and learned how to cook butter beans. Alice always was so good to have an extra bowl of beans and cornbread for Gary. Prayers for all her family and Thank God for having her in our lives.*
