“ *Dear Betty and Martha,*

*We were saddened to hear about Uncle Allen and wish to convey our deepest sympathy to you upon the loss of your husband and father.*

*During this difficult time we know you will draw upon your strength and the strength of loved ones that hold you in their hearts. We hope you can find comfort from memories; such as, life at the old homesite in Birdtown, coconut pies, gardening, and that wonderful Bishop sense of humor.*

*Please feel free to call, even in the middle of the night, if you need an understanding listener. We share in your loss, love you deeply, and will be thinking of you both.*

*Angie and Richard*
