“ I was sitting at the hospital with my Dad, Mike Thomas, last year when Alton came to visit him. When Alton was ready to leave, he told Dad he'd see him later. Dad, who had lost the ability to speak, raised his finger and pointed towards Heaven. Alton told him that was right, he'd see him there. I know these two friends have been reunited in their perfect bodies. I'm so sorry for your family's loss. I know he will be deeply missed.

“ I was so sad to hear about Alton. Alton was an honorable family man. He was a strong disciple for Christ. I worked for him at Ferrellgas. I have so many fond memories of him. He always made time to sit with me and share his faith in God. He shared with me stories of his beautiful wife and daughters. He was so proud of his family and the choices they made in their own lives. One day Alton gave me a small brown bible and told me to keep it handy, as it would be my comforter. I still have that bible and will continue to carry it with me until the end of my time on this earth. Alton spent his time in life as a disciple for Christ. I am very honored to have called him my friend. There is no doubt in my mind, I will see him again when I arrive in heaven. Anita and kids, be strong in Christ, as this parting is only temporary.

“ Anita and family, Alton was a very special man. I will always remember his smile and on Sunday mornings he always came around and shook my hand at church. He is in heaven among family and many friends but most of all Jesus. Just know that you and your family will be in our thought and prayers. Heaven has gained another angel.

“ It has been over four years since we lost Daddy. Not a day goes by that I don't think of him. I miss him more than I have words to express. I thank God everyday that I was allowed the privilege to know & respect this wonderful man. God blessed me twice by letting me call him Daddy. He was an excellent example of a great human being, a kind soul, man of great wisdom, and a true example of Christian. There were many times in my life that I called Daddy just to talk and I can not remember a time that I didn't learn something from him. I have and will always love him.
