“ Will forever remember you in church singing "Excuses" in that awesome deep voice of yours. Heaven is a little sweeter with you there.

“ I will forever have happy memories of going to see "Jackie Dale", Dale and Tony when I was growing up. Always an adventure, sometimes watching him break a horse, riding go-carts and lots of fireworks. I know he is having a ball in heaven with my parents now. While Laurie and I were growing up, he was a good friend to my parents. I know he and my dad are hatching up something in heaven. God bless you on your loss. He was bigger than life.

“ I will miss Jack he was my friend and mentor. It is so hard to put in to words what Jack ment to me. I learned so much from him. No matter what I know he is looking down on all of us that knew him. It was such a honor to know him.
I told him one time that it never gets easier you just learn how to handle it.

Jack will always be missed R I P Jack.
