“ *She was such a good woman, she would call my Mother every week to visit. What a wonderful ministry to the homebound. Always liked visiting with her after Saturday night Mass at the winery.*

“ Annie was such a compassionate person...after Mom passed away in January 2018, she would call me to check on all the family...this warmed my heart and helped me work through my grief...she also stayed in touch with Mom before she passed...after her mother, Aunt Marie passed, Annie reached out to Mom to help with her grief because my Mom and Aunt Marie were two of the sweetest women I knew and so much alike... will miss your phone calls Annie...I love you and you can rest in peace with your Mom and my Mom...

I worked with Ann at Afco Steel in Little Rock for two years in the 1970's. She took me under her wing and trained me in the Estimating Department. She helped me find my first apartment and was my roommate for a while.

In recent years, Ann called me every Holiday Season to check on me, and always asked about Jerry. I will miss those calls. God bless all of Ann's family with peace and comfort. she was so proud of her brothers and sisters and bragged about them every chance she got. She will be greatly missed by so many.
