“ *What fun we had gathering cat tails and dipping them then making flower arrangements. Anne's pleasant smile will missed by all of us. Our wish for Jim and the children is that they will know that we love them and feel the sadness and sorrow deeply. . We are sure that God has welcomed her with open arms to her new home and God said, "Welcome home Anne Johntson, Welcome home!". Much Love, Kay and Ray*

“ Anne and I were 2 years apart. Mama made our dresses, and until we were almost in our teens, she dressed us as twins. Although we were many miles apart in our adult years, we stayed in close touch by phone and later by email.

Our favorite thing was harmonizing songs and hymns. She was one of the most unselfish people I have ever know, and her hugs were everlasting. I will miss her so much.

My prayers are with you, Jim, and with all of your family.

Love,

Nancy

“ I have too many wonderful memories to list. I love and miss my mom more than words can describe. Everyone that knew her fell in love with her. She loved us unconditionally with all her heart and soul. Her smile was contagious and brightened up the darkest of days. I've always told her that if I could have picked out my parents I would have picked them. My heart is forever broken. I love and miss you my sweet momma

“ Beth, although we bonded during a time of great personal sadness and loss, I will always remember your mother looking up at me and giving me the brightest smile I had seen in days! She was beautiful! We can take comfort in knowing our mothers are in the arms of their Father and feel no more sadness or pain. I hope to see you again soon!
