“ *Ms. Annie was my very first employer. She was a very hard worker. Some of my most memorable times as a teenager were at Mc's Dairy Bar. My prayers are with her family.*

“ I loved my mamaw. I will miss her greasy country meals.

She was always smiling and I never saw her get mad. When we were kids I can remember her saying " go get a switch" when we acted out, but she never used it. I will miss you, give a hug to papaw for me. You will be missed. John Jr
