“ Annie was always so sweet to our family. We only knew her from church, but she always greeted us every time we came. She knew all my kids names and always asked how they were doing. No judgement that we hadn't been in a while. Just hugs and smiles. We will sure miss seeing her. Praying for your family during this time.

“ Charles, Thomas & Kat, I am so heartbroken for you all. Your mother was a beautiful woman inside & out! I loved when she would stop & talk to me at the store. She never changed, from the time I was a little kid to an adult, she was always so heartfelt and friendly. She was the kind of person that makes you want to be a better person. It never mattered what kind of mood I was in, when I got done talking to her I was always smiling & my heart always felt lighter. I hate when people say I'm sorry so I won't but there will come a time when you think of her & smile instead of cry. Until then, I'll keep you all in my prayers.
