“ *Just saw this. I met Arlene at Menifee, Morrilton Middle School. I worked with her for years. She was one of the most hard working, caring "friends" I've ever had. She dearly loved and was so proud of Kelly and Shawn....Blessed to call her my friend...*

“ *I just saw this and am heartbroken. Just passed on 95 yesterday telling Hollis who graduated with her that we needed to stop and visit but had no idea of her passing. We kept in touch and will miss her dearly. Life is so short to put off visiting when it's dwelling on your mind. I'm so sorry for all of you and thank you Kelley for bringing her to see us and sorry I didn't get there to see her again. Prayers for all of the family.*

“ *Arlene worked so hard for SCCSD. She was so much more than a coworker to all who had the pleasure of working with her. She was a close friend, a confidant, a perfectionist, an advisor who always made time to listen and help where she was needed, and above all she loved her family more than anything in this world. Shawn, Kelli, her grandchildren and great grandchildren, you all made her very proud. I'm praying for each of you in this time of loss.* ❤️🙏🥹

“ Benny and I are so sorry for the loss of Arlene. She was one of the sweetest ladies and took care of Brandon at middle school and Took care of Cass on and off the field. Some of our greatest family memories are softball and eating at Shoneys at 1:00 in the morning with your grandparents. Brandon always said Im riding with Arlene! Boy they were a pair. Praying for peace and comfort. She touched so many lives.

“ So saddened to hear of Arlene's passing. She was a lover of sports, very kind, "got the job done" type of lady and of course a wonderful mother. I remember her from the ballparks, at school and even after I became an RN, I saw her at her home as she cared for her brother, George. May the Lord wrap his loving arms around her family and give them peace during this sad, difficult time. May Arlene's soul rest in peace and eternal light shine on her.

“ What a lady. I witnessed many copy machine battles at Morrilton Middle School...I think she won them all...of course, I had the repair man on speed dial. My heart goes out to the family. Love to all.
