“ Where to begin with the memories of Art, as I think back I can't remember when he wasn't a part of our lives. From coming in our home to eat pie late at night, to sharing memories with his family in their homes, then out on the jobs. He always held a special place in my heart. My prayer is that the Lord will comfort you all in the days ahead with all the precious memories you might have of him.
Sincerely with love, Kim
