“ *Dear Bert & Family:*

We are all very sorry for your loss and we wish we could be with you during this difficult time. Please know that we love you very much and that we are praying for you.

We have taken a vote here and decided in lieu of flowers we would like to get you a tree to plant at your home on Price Road in memory of your Dad. We will get something picked out when you get back to town.

Love and sympathy from all the YIP Gang.

“ *To the Gullett Family,*

We are saddened by the lose of your father. We have treasured all of the memories that Bert has shared with us through the years. When he would talk about his father, we felt as though we were also a part of the family. We shall remember everyone in our prayers.
