“ My beautiful, intelligent, full of fun friend. She knew every thing, had the memory of an elephant. Her family was her life, her pride and joy. I cannot imagine not being able to call her up and getting all The latest updates. The last time I saw her we cried and expressed our love for each other. At the time I didn't know I would never see her again. Thank you Suzie for giving me that opportunity. Fly high Barbara Jean, you are one of a kind.
