“ *My Mom left this earth today. She walked out of our lives. A proud and happy woman and so loving Pearson who meant the world to us all. She left us as strong individuals able to take care of each other. We all have a story. We all have experiences that forced us to overcome adversities. She was not just my mom, she was also my best friend. I love her so, so much, and I miss Mom.
Your loving Son Bubba*
