“ As time passes loved ones come into our life and some leave us. Ms. Roland will be missed by so many folks. She was always pleasant and easy going when we visited with her and we are glad we knew her and all her family. I have heard there are 3 things in life that are important. The first is to be kind. The second is to be kind and the third is to be kind. Ms. Roland was this.

“ I am deeply saddened by the loss of my dear Aunt Barbara, I have yet to meet a kinder, gentler, more generous soul. I have many happy memories of my childhood summer vacations spent together - my parents and Aunt and Uncle playing Rook until the wee hours, laughing and joking. How sad that they are all gone now, a great generation from a simpler time. My thoughts and prayers go out to all of my cousins and the rest of the extended family in this time of our loss of our beautiful Mom, Aunt, Grandma, and friend.

“ Prayers going up for all the Roland boys and their wife/families. Mrs Roland has been our neighbor for 17 years and we loved her so much. Im so thankful that God let me spend the last few months with her helping take care of her ...What a precious Godly lady she was. Man Im going to miss seeing her beautiful face and her sweet dog Little Bit but I know she is in such a better place with no pain, with our Lord and back with Mr Roland The neighborhood will be so empty but great memories have been made. Rest in Peace our sweet loving lady...

“ My sincere condolences go out the family of Barbara Roland. I really didn't know her, but everyone spoke highly of her. She had some wonderful sons who loved her dearly and will miss her tremendously. The lord welcomed her home and now she is rejoicing with her husband. Thank goodness for memories.

“ Oh the memories I have of growing up across the street from Maude, Barbara and Virginia. Barbara was eight years older than me. I looked up to her because, even then, she was always so sweet, nice and fun to be around. I remember her dad, Burks is what we called him, had built her the best play house I had ever seen in their backyard. When Barbara got older and got a job at the library I was still young enough to go over and play in the playhouse by myself. Maude always told me I could play like it was mine. Virginia was older and had already married and moved away. Also, Barbara or Maude would baby sit with my brother, Gary and me at times. We always had so much fun, I just loved Barbara she was a very special person her entire life. God Blessed her with such a sweet, sweet spirit. She was beautiful inside and out. This really saddens me to read of Barbara leaving but I know she is rejoicing in Heaven with the Lord, with Vonnie (that's what we called Charles when they first married) with Maude, Virginia, and all of my family that are greeting Barbara, too. My prayers are with all of her family that she loved so very much. You were blessed to have had her.
