“ Aunt Barbara was such an Amazing Lady..I remember the singing and the holidays were so Awesome never a dull moment and enough food to feed the whole countryside. Aunt Barbara always was dedicated to anything she pursued specially her faith in God & family. Always happy to see us and to share stories and she knew how to make you laugh. She had an awesome Daughter which we grew up together no matter where we were fun and making memories and exploring..getting into trouble that we thought was fun and eating watermelons..she told us to not swallow the seed or a watermelon will grow in your stomach..of course I had to pass on that knowledge to all my children... We would sing and pray together which is the formula to a successful family ..her and Uncle Charlie is Proof of that! The Memories and Standards she set will be embedded in the family for generations. You knew she lived a Christian life due to the Love she had for everyone and Can't wasn't part of her vocabulary ..I am so honored to have been part of her life ..her soul is so pure..Love you so Much Aunt Barbara and to this day I can here you say eat the food on your plate sweetie..if you want some cake..she makes me smile just thinking about her..I honestly can not remember anything while growing up I would ever want to change ok maybe getting to play with my Cuz more like everyday would have been Awesome.. I want to Thank God for giving us such joy and happiness thats got a name ...Aunt Barbara :)
