“ Rip Barbara my friend you will be missed. Feel like we lost a part of our heart that kept us all in touch in past years. Now your in heaven with the angels you can sing and dance with those gone too soon. Know you will be missed.

“ *Barbara and I grew up at Southern Christian Home. We became best friends in the second grade after she would tell me stories about what the man in the moon was doing 😊 while we were supposed to be sleeping.. She was small in stature but had a big heart. She was beautiful inside and out. Oh, how I wish I could have been there for you. Rest in peace my dear friend. May God comfort your family and all those that love you.*
