“ Louise, I have alot of good memories about Ben. we were in Dallas going back to our motel. it was late and we were hungry, we found a place called "What-A-Burger", Ben wanted a cheese sandwich, but they didn't have one. after a lot of useless talk he said, "Give me a what-A-Chicken with cheese and hold the Chicken". I rolled in the floor. Times like these bring a warm feeling to a lonely heart. May God bless you at this time.

“ *Jimmy & I just want to let the family know that we are sorry to hear about Ben's passing. We have always loved Ben, Louise, & their family. We only have fond memories of him at Burnt Ridge Services. He was a pistol. He loved the Lord & hated Satan! He carried a plastic snake in his pocket to remind him that he has power over the ole enemy! He was quite a character! He loved his family and his face lit up every time he talked about his children and grandchildren. He will always have a special place in our hearts. So long Bro. Ben! We hope to see you again in the next life. Enjoy your time now.....with Jesus!*

“ Dear Beavers Family,

I am so sorry for your loss. Your family will be in my thoughts and prayers.

We can never turn back the pages of time, though we may wish to relive a happy moment, or say goodbye just one last time, we never can, because the sands of time continue to fall, and we can't turn the hourglass over.

Never forget yesterday, But always live for today.

With God there are no endings, only endless beginnings. May the Lord's precious promises bring you strength for today and hope for tomorrow.

The grace of our Lord Jesus Christ be with you all. Amen.

“ Louise, Chris, and Kim,

I didn't know until just now that Ben passed away. I'm so sorry for your loss. He was a good man that was always teasing us kids. You'll see him again one day, but until then let God be your strength because He is the only way you'll get through this life on earth. Hugs and condolences to you all.
