I remember when I met Bennie at T.O.P.S support group She was so excited about her Church! First Baptist Morrilton. Soon became where I would fellowship. She invited me to become a member and we walked to the front together. I loved our talks about our families especially sharing what God was doing in each other's lives. She would come and pick me up so faithfully. We went to Bible Study fellowship. Sunday School every Sunday, lunch at Wendy's. She told me her Sunday School group was the only one and I went for about 6 months until I found out there were other ones.😭 Everything she was involved in was the best! Declaring God is so good! I was involved in the senior saints group outings! She told me my age didn't matter! Helped her with Awana's ,VBS, Children Church. We showed up during covid Easter with our masks. I think it was just her and !! She would come over and help me with my housework, gardening. Oh how she loved to be in her garden!🌺🌻🌷🌻🌻 her tomatoes🍅 flowers. She made me laugh, crack me up at the thing she would say! There were many times she was the boss! I conceded to every argument! She told me off many times I loved her through it all. Oh my goodness I loved her lamb stew. There was a night I stayed over. I always felt welcomed. I loved hearing her stories. Loved how she loved her family so much❤️ we've cried together.. laughed. I think of that verse.. faithful are the wounds of a friend. I called her grandma Bennie. Loved to pray🙏 with her. She made sure I always had food. We served in the food pantry and got to pray with people. We did water aerobics together at the community pool. She sure went home in a hurry. I love you Bennie👍🏠🏁
