“ *So sorry to hear of the passing of my longtime, wonderful friend Bernice.... We go back a long way, 65+years.After I moved to KC, we sort of lost touch with one another, but was always kept up to date on her from my sister, Betty Powell, as they talked to each other a lot.... But after Betty passed three years ago, I'd completely lost contact with Bernice...So many good and happy times we shared, I'll never forget....she was one of my best friends ever, and will always have a special place in my heart.Her brother, Dean performed my husband and my (Jimmy May and Sara Green) wedding ceremony, December 14, 1958.My heartfelt condolences to her family....I pray God will send comfort to all...*

“ Mrs. Ramsey, I have thought of you lots in the last year, and just heard today that your life here on earth has ended. You was one amazing lady. I have never seen anyone your age that did so much for others, when really, we should have been doing things for you. I'm sorry I didn't get the chance to tell you goodbye, we missed you coming into Office Depot, but didn't know how to find you. I search for you a couple of times online. Well we will meet again someday in heaven, rest in peace !!!
