“ *Bess and I went to school together. we were always close as friends. There were several of us that hung out together and always had fun as you can see from that picture. That was Bess, always ready to pose for the camera and she was so pretty but she didn't think so. But this is my goodbye to Bess, the best is yet to come. we will meet again in Heaven and we will have a lot to catch up on. may God bless her family with peace and comfort during this time of loss. She will certainly be missed.*

“ Charlie and family I am so sorry to hear about Bess. You all have been in my prayers for a while now and will continue to be. Take comfort in knowing that she is no longer here suffering but with the Lord.

*Hold on to those precious memories as that will be what will help you in the hard days that are yet ahead. May God wrap his arms around each of you and comfort you.*

“ It has been a long time since I saw Bess. We were close friends in our youth. I have missed her fun loving ways. At noon we would run from school to downtown Arkadelphia to spend our lunch money on sundaes at the drug store. Sometimes if we were delayed we heard the bell ringing when we were not yet on the school grounds. Enjoy heaven, Bess, those already there will enjoy having you!
