“ *Bess & Rhea were more like sisters to me than cousins. We lived together & went to Church together. Just like a family. She will be missed. My prayers are with you all. I love you. Glynna Sue*

“ *Sweet Aunt Bessie, Your loving soul, your beautiful smile, your generous heart, your unwavering faith - all of these things I'll remember about you. Dancing to 45s, combing out your hair, loving all of us so unselfishly. Thank you for all of those memories. You'll be sorely missed here on Earth but very welcome, I'm sure, in Heaven.*

“ My precious friend...where do i even begin to tell you what is in my heart. We were co-workers for years and friends for even longer than that. You filled a void in my heart that made you like family to me. I will so miss your laughter on the other end of the telephone. But most of all I will miss your guidance when i needed help and your faith when i would loose my way. The best thing we shared was our huge love for southern gospel music. We could listen to it and talk about it for hours. Now i know you are in Heaven just singing and praising God with all the other gospel singers who have gone on before us. You will always be in my heart. Like i told you..i will see you again some day and we will talk gor a million years.
