“ I'll always remember you, Beth. I was lucky to work with you in the ER. You were always the straight-laced staunch professional. Some even described you as stern 😊. But you always got a kick out of my jokes and irreverent behavior. I love you, Beth and miss you a lot. My prayers are for your family that you cherished so deeply and your friends too. You are leaving a big hole but also some of the best memories and love. Rest in love, beautiful.

“ *My dear friend Beth. You left a lasting footprint on my heart. Your amazing ability to persevere and to be able to laugh at yourself will forever live on. I remember your first haircut in my Salon.. I kissed you on top of your head. You, Molly and I laughed. ☐. Thats just you. Fly high Beth!*
