“ We have sweet memories of Fred and Betty coming to Iowa to visit Lea Ann, Brian, and the kids. Our parents are not involved in their grandkids' lives, so we salivated over the beautiful relationships we observed between Fred, Betty, Syd, Caleb, and Trent. This has given us a great example to follow one day when we (Lord willing) are grandparents.  
We are sorry for your loss but celebrate the life God gave Betty to live.

“ Betty love you. With a heavy heart I say goodbye. You have left me with many warm happy memories that I will always cherish. To your family my condolences. At this time words have little significance in your absence. I know your family was your life and love. You will be missed. Until we meet again.

“ Dear Fred and Family,  
Mike and I send our heartfelt condolences. When we heard of Betty's passing, we both recalled her sweet sincere smile and big greeting hugs. She was such a special person -- always upbeat, positive and caring about those around her. We were blessed by her presence. I know you, as a family, have a lifetime of precious loving memories -- may those memories bring you comfort and peace during this difficult time and in the years ahead.

“ Family,  
As Betty leaves one family and goes to another family to welcome her home. We will forever miss her, but not forget her sweet loving ways and smiles. Betty and her family welcomed me in many years ago, and gave me many wonderful memories. My friendship, love thoughts and prayers are with you all today and always.

Love, Angie

*“ We are so saddened by Betty's passing. She was just an amazing lady. My sister, Tracy (Short) Zeigler, thought of her as family and loved her so much. This just saddens my soul so much. Bless her heart, but she isn't in pain any longer. We know that this precious lady earned her angel wings and is completely restored to perfect health. May Jesus comfort you all during this difficult time.*

*“ Fred, Allen and LeAnn, I was very saddened to hear of your loss. She was a wonderful woman whom I enjoyed not only working for but being around. She was always smiling, in a good mood and had time to sit and talk. Working for you two, Fred, was so crucial to me so young as you have both been an example to me throughout my life. My prayer for comfort are with you all. God Bless!*
