“ *I am so sorry for your loss. Ms. Betty always kept me in line at work and stayed a good friend even after we both left the Morrilton office. She will be missed. She told tons of hilarious stories about her girls and grandkids- very proud. You will all be in my prayers.*

“ I enjoyed getting acquainted with your mom while assisting her in adjusting to her new home at Heritage. She dearly loved her daughters, and you have my sympathy as you adjust to life without her.

“ I am so sorry to hear about my little "Betty Boop". She was such a sweet, precious friend to me. I helped take care of her a few times at her home. I am the one that made her the Betty name doily she has on her coffee table. I will miss her every day and think of her, such a loss, My condolences to all of you during your time of grief. “ I am so sad to hear about Ms. Betty. I can't tell you the number of times we laughed, yelled and argued about just about everything. Betty was so much fun to work with, and so respectful and honest with everything she did. She taught me a great deal about life, people, and what really matters. I will never forget our long talks, our vacation to the beach (she almost threw me out of the car!), and her role as one of my surrogate "mommies." She was a special lady, and all of us are better for having known her.
