“ *Although it's difficult today to see beyond the sorrow, May looking back in memory help comfort you tomorrow. My prayers are for God to give you comfort. Betty was one of the best women I've known. In our business, Betty was the best. I already miss me calling her for something or her calling me. Still pick up the phone and call the shop, guess hoping she will answer. Sheila, if you need me, I'm just a phone call away.*

“ Very sad to see Betty was gone. She has been a friend and a good parts provider since the 1960's. We will miss the visits they have made to the orchard (on the way to the lake).

“ I had the pleasure of knowing this sweet lady since I was 5 years old. I thought she was so pretty with her blonde hair, high heels, pretty dresses, and her baby blue 1960 Chevrolet. I wanted to be just like her! She taught me so much. I learned the names of plants as we planted her flower beds, I learned the proper way to hold a cat, I learned what a "french twist" was, and I learned how to be a Southern lady. She would play the piano and I would sing--badly! She was always kind to a little girl, that I'm sure was in the way of her busy day, but she never sent me home. I will forever remember the kindness she bestowed upon me. Clayton was the little brother that I never had. My happiest childhood memories include Betty and Clayton. I am holding each of you close in my heart. Betty was one of the nicest blessings in my life. She touched so many lives with her kindness. God Bless you as you cherish so many precious and happy memories of her life and legacy.
