“ *My sweet Ish. She was our neighbor for 10 years. We missed her so when she move to the home. She loved to see my Grand daughter Lily drive into her driveway in her little "sports car". She always had a smile for us and a wave. We sorely will miss her presence in our world.
May her memory be for a blessing.*

“ *Ish was one of my best friends while I lived in Morrilton. She was a great woman and a wonderful friend. We have so many memories together. I can't tell all our stories but I can tell you that we laughed a lot. In the early days we would go to golf tournaments in the Budweiser Van and the players knew we had arrived because she always would hit the horn playing the Budweiser commercial song. Oh how we laughed. Some of the other ladies from the golf association will remember all of the fun we had playing golf. This lady will always be in my heart and prayers. I loved her like a sister. She was the best. Maybe one day I'll think of her and not cry but right now my heart is breaking. Rest In Peace dear friend.*

“ My daddy, Charlie Owens, and I went to visit Ish in Russellville shortly after she there. He wanted to visit and encourage her. But she encouraged us with her sweet kindness and happy spirit. She was a valued friend to him.

Ish was very special lady and thank you for the love and care you gave her. She was well cared for in Russellville. They had some golf interests together and loved to be outdoors.

My daddy is in heaven now and there must be some wonderful outdoors there!!! Trees are laden with fruit, beautiful landscapes, gardens and maybe golf courses have been prepared. Heaven is a wonderful place, filled with Jesus's glory and grace.
