“ *My Dearest Childhood Friend Judy, So very sorry to see your dad's obituary in the paper today. He was one of the coolest Dads in the neighborhood and we all loved him. Would love to get in touch with you at some later time because we live in Hot Springs also and our husbands are friends. Very small World indeed, have thought of you often. God be with you and your family at this time to find strength and peace in the days ahead. LOVE to you and the family, Deborah (Miller) Carroll*

“ *Judy, so sorry you lost your dad. It seems like yesterday we were eight years old playing on the playground having a blast. I hope you have great memories of your dad from those days.*
