“ So sorry for your loss but so happy for Billie, we shared a lot of laughs, happy memories in the snow and ice during our days @ CHDC, the year of the big snow she and David came to pick me up @4am so we could make it to work even tho I was working 1-9 I had to make sure I could get there-- when we made it to CHDC we were the only LPN's on grounds, we couldn't use the golf cart because the snow was so deep so we walked to the other cottages to give meds, we laughed so hard we said we are so short no one can see anything for the snow except the top of our heads bobbing up and down, I have a lot of good memories of her , she was a good friend, great nurse and Mother , she loved y'all--RIP,Billie, go rest high on that mountain!
