“ *In the early 60's Mrs. Billie Jean's husband, Mr. Bill Wofford, was our teacher and coach at Wonderview. Several times in order to attend ball games we would go to their house. Mrs. Billie Jean never complained about a teenage basketball team invading her home at meal time, waking up the baby and all of us wanting to hold him. She was always so kind to us and later she helped us with our banking at First State Bank. She definitely was a positive influence on our early lives. Mr. Wofford made a great choice when he chose her for his wife and a teacher and coach's supporter. With sympathy to all the family, especially to Mr. Wofford, our teacher, coach and longtime friend.*
