“ *Mrs. Beaver we heard on Sunday that Mr. Beaver was very sick, but we did not expect it so soon, however it was not in the Ark. Democrat paper until today. And it was already over when we saw the paper. We had planed on coming to the Service. We are very sorry for your lost, but I am sure he is in a better place with the Lord now. It was a pleasure knowing the both of you and hope that you will get a rest now, I have taken care of my Father, my Mother and helped take care of Clifton's Mom (also my Step Dad was in the Perryville Nursing Home for about ten months and he was very happy there because he was very well treated, so I have an idea of what you have been going thru. Betty has really been a good Friend and helper to you, she is a very good person, I always liked her. Hope we will see you at Church soon - (after you have time to get some rest) You have been in our prayers. Best to you and your Family, Clifton and Betty Hildesheim*
