“ I’ve worked with Bill at Scholastic, also knew and socialized occasionally with him.
I am thankful I saw Bill in September 2024. We had dinner along with others in Conway and then Ice Cream at Andy’s frozen custard stand. We laughed about our humorous work experiences while drinking Sprecher Root Beer. (my last name is Sprecher, which is how Bill would refer to me, He’d call me and start with HEY SPRECHER)
Always enjoying working with Bill, he drove a mean forklift, getting the job done in record time.
I could never thank him enough for being a friend and helping me with my “back Yard” projects.
I hoped to see Bill Memorial Day 2025; then found out he left us early.
Bill was a good man, a good friend and yes, I’ll miss you, MR. BILL.

“ Wow I’m shocked, Bill was a good friend and co worker at Virco manufacturing, we lost touch the last 3 years , I like to blame it on hurried lives, last weekend I was sitting on the back porch and was thinking I should call and check on him. We had a lot of fun at work and at play . He will be missed . From , Mitchell Meux, I’m sorry for your loss

“ I attended first through grade twelve with Billy. We called him “Billy Gene” as there were two other Billy’s in our class. I will remember Billy as a kind person who was friends with every one-a person liked by all, especially the Class of ‘71 of MHS. He may be gone from our sight but never forgotten.
