“ Ann and Kim, I cannot tell you how sorry I am to hear the sad news about Bill. He was such a kind and funny person and would do anything for anybody. I remember one time we were talking about movies. He mentioned a movie he'd seen and how good it was and I told him I'd have to watch it. The next day he showed up at my office with that movie for me to watch. He did that kind of stuff all the time - not just for me, but for everyone. I've sure missed seeing him at school these last few years, but we did talk and e-mail some. Kim, He was such a supportive Dad. I remember him going to all your games when you were coaching and after you left the district, he was always telling me about you and what you were up to. He was so proud of you. Remembering you in my prayers...Belinda
