“ *We are so sorry to hear of your lost.. I will always remember Billy Fox as a kind and loving man. He was always so kind to my children and grandchildren when he drove the school bus there in Bigelow and then to me as I worked at the store in Houston he would come in early most days so I didn't have to be there in the morning alone. He said it was safe..He was an angel and is now for sure..*

“ Billy Fox was always so kind. I remember growing up in Houston and he was always so supportive of me, and was very helpful to our family when we lost our house to a fire. I remember going to his house after school until my parents got home from work and him always telling me about Virginia Beach and pushing me to get out and see as much of the world as I could, which I have!! He was also so proud of me when I told him I was joining the Navy out of high school. I just want to say thank you Sallie, I have always treasured the friendship you and Billy Fox allowed me to have with you and for making me feel like part of your family. He will be missed greatly, but we are all so much better for having known him!! Sallie, we love you and our prayers are with you!!
