“ *Growing up in the 60's and 70's was so wonderful. I spent a lot of time at my Uncle Bill Wyles and Aunt Katy's house with my cousins Billy Lee, Paul and Charles. They were more like brothers than cousins. We had a lot of wonderful times together. Me and Billy were the same age, so when we got old enough to drive Billy introduced me to roller skating and Doc's Royal Roller Skating rink and we spent about every Friday and Saturday night hanging out there. I am so happy to have had Billy Lee as my cousin and for all the wonderful times we spent together and all the good times we had. I am having a hard time grasping the reality that I am here and he is not. The world will be a lonelier place without his Awesome personality, but I cherish all the wonderful memories and look forward to that Great Family reunion where all our loved ones wait for us.*

“ Billy Wyles you are someone who is going to be missed. I remember you being someone who enjoyed family, telling stories and making people laugh. I always thought If grandma Mason had a favorite you would of been at the top of the list. You new how to make her smile. I like to think you both are on the other side having a fried dinner together. Fare well Billy it was good knowing you!

“ I've known Bill for several years now and have enjoyed his company, knowledge and wit. Most of my memories involve either riding motorcycles together or enjoying a game of pool that could end up with us playing poker till late in the night. I am very lucky to have known him well enough to been considered a friend and will cherish the memories

“ *To the Wyles Family:  
There are no words to express how very sorry I am for your loss. When my sister Betty (Alfred) Wyles was living, it was years ago, as teenagers, my sisters Becky, Judy & myself, had some of the most fun times with Billy & Paul at Betty & Al's house.. we were all together often with Katy & Bill too.. Fun at the skating ring. Billy was such a skilled skater. Was fun just to watch him.. fun when the 5 of us kids just knocked around & annoyed each other.. Those are some teen memories I'll cherish forever. .  
Please know that all of the family is in my heart, thoughts & prayers.
