“ *And Dee was always an inspiration to me. She believed in me and challenged me to be my best. I admired and respected her more than she realized. I never heard her say an unkind word about anyone. She was smart, funny, witty, strong, easy to laugh and always a lady. If you disappointed her she would let you know it in a kind way. When you did something well she would acknowledge that too. I have thought of her frequently and I'm so glad she was a part of my life. I love you Aunt Dee.*
